

KIRKPATRICK FOUR LEVELS® EVALUATION CERTIFICATION PROGRAM - GOLD LEVEL

PROGRAM DESCRIPTION

Kirkpatrick gold level certification provides a way for professionals to share the accomplishments obtained from their application of the Kirkpatrick Model to their programs and to obtain appropriate recognition for themselves and their execution team. It is designed for professionals who want to make a difference in the world of training and development above and beyond their own organizations.

Kirkpatrick Partners recognizes that we alone cannot make all of the necessary changes to the widely held yet false beliefs about training value embodied in the training event itself. Fulfilling this mission requires a worldwide team of business partnership “ambassadors.”

The gold level is open to those who have attained Kirkpatrick silver level certification. It consists of presenting or publishing your program evaluation process, results or best practices in a way that assists other training or business professionals.

Examples include:

- ◆ Having an article published in a trade magazine
- ◆ Presenting at a trade event or to an audience outside of your own organization
- ◆ Having a case example included in a book, journal or white paper

Gold level certification is available to silver level certification holders at no charge as a service to the industry.

WHO IS ELIGIBLE

Gold level certification is open only to those who have earned their silver level certification.

GOLD LEVEL INCLUDES

All participants will receive:

- ◆ Conference call with Kirkpatrick Partners to discuss completion plan
- ◆ Support in finding an appropriate presentation venue or mode, if needed
- ◆ Publicity for your article, contribution or presentation, if desired

CERTIFICATION PROCESS

Gold level certification is the final step in the Kirkpatrick certification process:

KIRKPATRICK CERTIFICATION PROCESS

FREQUENTLY ASKED QUESTIONS

What is the difference between the Kirkpatrick Four Levels® Evaluation Certificate and Certification Programs?

The certificate program is one day or three online sessions. The certification is two days or five online sessions. All of the content covered in the certificate program is also covered in the certification program, so it is not necessary to take both programs.

The certification program, however, adds the hands-on experience of creating an actual Blended Evaluation™ plan for a program that you select in cooperation with your in-class group. The plan is reviewed by Kirkpatrick Partners to ensure that it is complete and likely to be successful. Certification also includes additional discussion and application activities, a copy of the book *Bringing Business Partnership to Life*, a year of informal consulting via phone or email, and the ability to call yourself Kirkpatrick Certified in your credentials.

If I take the certificate program first, can I finish my certification at a later date?

Yes, you can upgrade to certification at any time; the cost of the certificate program is applied to the cost of certification. You attend only the second day of in-person certification programs or the last two sessions of online programs.

If I want to become Kirkpatrick Certified, do I need to complete the bronze, silver and gold levels?

No. You can obtain just bronze level certification; thousands of professionals have done this worldwide and successfully applied their knowledge. Upgrading to silver and gold level certification is always an option at any point in the future.

Do I need to complete bronze level certification to be eligible to attend silver level certification?

Yes. The bronze level program is a prerequisite for silver level certification. The silver level program incorporates work that is completed at the bronze level.

Can I obtain the Kirkpatrick Certified status without taking the program?

Like any degree or credential, completing the program is a requirement to earn the right to call yourself Kirkpatrick Certified.

Does attending these programs certify me to teach the Kirkpatrick methodology?

No. These programs certify you to use the licensed Kirkpatrick templates and materials within your own organization. Kirkpatrick Partners does not currently offer a train-the-trainer program.
