PROGRAM DESCRIPTION

The Kirkpatrick Model comprises the foremost evaluation methodology in the world. In this program, you will learn directly from the Kirkpatricks the true and correct methodology and apply it to an actual program to maximize business results. This program is limited to 30 or fewer participants to ensure you receive personalized attention and the opportunity to participate.

During this program, you will learn the four levels, receive a downloadable participant manual filled with examples and templates that you may borrow and adapt to build your own Blended Evaluation Plan® tools, and gain a complete understanding of what each level measures. You will also explore the reasons why evaluation is critical to training success and hear case studies and success stories from companies that have used the model effectively. You will learn tactics to help you to allocate training resources effectively.

A focus of this program is the exploration of how to ensure that what is learned transfers to on-the-job behaviors. You will learn why training alone is not enough and receive guidance to ensure that what you teach actually gets used on the job.

PERFORMANCE OBJECTIVES

After this program, you will be able to:

♦ Objectively determine where to allocate training resources to create the most business impact
♦ Create an effective program Blended Evaluation Plan® that maximizes business results and minimizes resources employed
♦ Define the critical difference between effective training and training effectiveness
♦ Identify appropriate Blended Evaluation Plan® methods and tools for any program

LIVE WITH THE KIRKPATRICKS

Kirkpatrick online programs are facilitated live online by Jim and Wendy Kirkpatrick and Kirkpatrick Certified Facilitators. One or more of them will lead each session.

You should plan to attend the programs at the scheduled time so that you can participate in the interactive sessions and gain the most benefit from your investment.

Participants must be present for at least one of the live sessions to earn their certification. If a session must be missed, we will send you a recording that is viewable for 30 days.

If a registrant must reschedule and attend a later course, a change fee will apply. A substitute may be sent in place of the original registrant at no additional charge. Refer to the cancellation policy for details.

INTERACTION DURING THE PROGRAM

The majority of interaction during the sessions occurs via “text chat” by typing responses to questions, as well as your own questions and comments, into an on-screen window. This allows all participants to share their ideas on discussion topics. There are also polling questions throughout the program.

Verbal participation for those who are able is welcome at any time throughout the program. If verbal participation is not convenient, there is a chat window visible at all times to type questions or comments.

Group discussions tend to result in technical difficulties, such as very loud background noise and some participants experiencing difficulty hearing. For these reasons, verbal discussions are kept to a minimum.

PROGRAM MATERIALS

This program includes:

♦ Live online sessions via the internet
♦ Downloadable PDF program manual with pre-work
♦ Homework assignments between most sessions
♦ Three months of follow-up modules via email

You will NOT receive a copy of the PowerPoint presentation or a printed copy of the program manual.

AUDIO / VISUAL REQUIREMENTS

The visual portion of the program is accessed using a high-speed internet connection.

Sound can be accessed in two ways: via telephone with a local toll-free number for many parts of the world (long distance charges / usage of phone plan minutes may apply), or via VoIP (sound over your computer).

♦ Sound via phone is clearer and more reliable if it is available in your area.
♦ A computer headset is required if you opt to access sound over the computer.
♦ Sound over the computer is free but tends to have more interruptions inherent to the internet.

CREDENTIALS EARNED

Program participants will earn the right to say that they are Kirkpatrick bronze level certified.

This means you have the right to use the authentic Kirkpatrick materials contained in the program manual within your organization. You may also duplicate and share the materials with other employees of your organization and informally teach your co-workers key principles and concepts.

If you are an independent contractor or work with clients outside of your company, this means you may use the Kirkpatrick method in your work, but you may NOT teach it or distribute program materials or trademarked graphics and images to clients.

A train-the-trainer program is available for large organizations with 50+ people to train internally.

REGISTRATION

Every individual who plans to watch or participate in this program must be registered.

If three or more participants from your organization plan to attend, you may take advantage of group registration discounts of 20-25%.
