

Dr. Ghada Al Khatib

Dr. Ghada is the Assistant General Manager at RMK The Experts, a UAE leading learning and consulting service provider based in Dubai for more than seventeen years that specializes in Food Hygiene and Health and Safety. RMK The Experts is the Kirkpatrick Partners affiliate in the Middle East Market.

Ghada is an internationally recognized business and quality consultant with more than 20 years of experience in the Middle East Market, she worked in several organizations in the Kingdom of Saudi Arabia, United Arab Emirates, and Jordan. Ghada is a Certified Kirkpatrick Four Levels® Evaluation bronze level practitioner and facilitator from Kirkpatrick Partners in the USA, she is also a certified trainer/facilitator from the Center for Accelerated Learning in the USA and Germany, and a certified Train-the-Trainer.

Dr. Ghada holds a bachelor's degree in Dentistry from the Jordanian University of Science and Technology, a Master's Degree in Dental Science with a specialization in Child Dental Health from the University of Leeds in the UK. She is also a certified international healthcare quality professional, and certified healthcare surveyor and consultant from the Health Care Accreditation Council-Jordan.

Ghada's knowledge of quality systems and standards comes in very handy when facilitating the Kirkpatrick Four Levels® Evaluation programs specially for the levels four (business impact) and three (behavior), participants find her extensive working experience with leading indicators and key performance indicators very rich and helpful through real-life examples and case-studies, this helps participants identify appropriate metrics and measurement tools for their level four and three evaluation plans. Ghada is a proud mother of three young adults and based in Dubai, United Arab Emirates
